KRT706400 WALL DETECTOR 4-IN-1

Be sure you drill holes at the right place and you don't damage electric pipes in the wall?
Use this 4-in-1 Kreator wall detector. It detects copper, metals as well as wood.
Moreover it has a moisture meter. This is practical when you want to make sure you don't start painting too early or you don't take a risk by laying your parquet.

Battery included. Automatic switch off.
